CULTURELLE— correct and protect against digestive upset

CULTURELLE contains Lactobacillus GG, the most widely studied probiotic

CULTURELLE improves digestive health with Lactobacillus GG

- Lactobacillus GG prevents and shortens the duration of several types of diarrhea, as well as occasional stomach and bowel discomfort
- Clinical studies show significant benefits over placebo in antibiotic-associated and rotavirus-associated diarrhea^{1,2}
- Reduces incidence of travelers' diarrhea³
- Helps prevent uncomfortable bloating⁴ and promotes regularity

Recommend CULTURELLE with confidence

- Stimulates and strengthens the immune system
- Naturally promotes a healthy intestinal tract
- Each capsule of CULTURELLE contains a minimum of 10 billion colony forming units (CFUs) of Lactobacillus GG
- As a dietary supplement, take one (1) capsule daily. When traveling, take one (1) capsule twice daily throughout the trip; best if started 2 or 3 days prior to travel
